Article 1 Introductory Provisions

The Dean's decree supplements the Directive on a Publicly Announced Admissions Procedure for Doctoral Programmes Taught in the English Language, Accredited at the Faculty of Applied Informatics, Tomas Bata University in Zlín (SD/05/24), Article 3, paragraph (1) and determines the number of admitted students in doctoral study programmes taught in English language for the academic year 2025/26.

Article 2 Number of Admitted Students

In accordance with the Allocation of the Financial Resources of the Faculty of Applied Informatics of the University of Technology in Zlín for the year 2025, which was approved at the meeting of the Academic Senate of the Faculty of Applied Informatics on June 23rd, 2025, the Dean determines the number of admitted students in doctoral study programmes taught in English language for calendar year 2025 as follows:

- Maximum number of students **admitted to full-time study**: 2 students in total for all study programmes.
- Maximum number of students **admitted to part-time study**: 4 students in total for all study programmes.
