Annotation:

The Doctoral Study Programme Curriculum proposal will be considered by the supervisor and staff of the Department where the doctoral student is studying.

The study programme curriculum is binding upon all the participants. If it is necessary to modify the study programme curriculum for serious reasons, all of the modifications must be considered by the Specialist Board.

2 originals signed by the student, supervisor (consultant) and director of the department should be submitted to the Research and Development Activities Department of the FAI (hereinafter referred to as RDAD), which will ensure approval by the Study Program Board's Chairman and the Dean.

1 approved Individual study plan of a doctoral student will be received by the student,

1 is based on RDAD in the student folder.

RDAD will send an electronic copy of the ISP to the supervisor, the consultant and the SPB's Chairman.
